Achievement Standard V3.0

YEAR 4

Achievement Standard
By the end of Year 4, students understand that texts have different text structures depending on purpose & audience. They explain how language features, images & vocabulary are used to engage the interest of audiences. They describe literal & implied meaning connecting ideas in different texts. They express preferences for particular texts, & respond to others’ viewpoints. They listen for key points in discussions.

By the end of Year 4, students understand that texts have different text structures depending on purpose & audience. They explain how language features, images & vocabulary are used to engage the interest of audiences. They describe literal & implied meaning connecting ideas in different texts. They express preferences for particular texts, & respond to others’ viewpoints. They listen for key points in discussions.

Students use language features to create coherence & add detail to their texts. They understand how to express an opinion based on information in a text. They create texts that show understanding of how images & detail can be used to extend key ideas. Students create structured texts to explain ideas for different audiences. They make presentations & contribute actively to class & group discussions, varying language according to context. They demonstrate understanding of grammar, select vocabulary from a range of resources & use accurate spelling & punctuation, editing their work to improve meaning.
